The Mayor,
Paterson, N. J.

Dear Sir:-

I learn with interest that Paterson has caused to be struck a badge for her returning soldiers and sailors, which is one of the most striking of its kind. This Society, as you will see from the enclosed folder, is interested in collecting documents of this kind relating to our participation in the World War. May I ask your kind offices to securing a specimen of this badge for our Museum for exhibition and preservation?

Very respectfully yours,

Secretary.
